PROFESSIONAL SERVICES AGREEMENT

(Please initial in the spaces provided and sign at the bottom)

Fees, Payment, and Insurance Billing

____ I agree to make payment at the time of service. I agree to pay my known co-pay, the percentage that my insurance does not pay (if they pay a percentage), or the full fee (if I am a cash paying patient) at the time of my visit.

____ As a parent or legal guardian obtaining services for a minor child I agree that it is my responsibility to pay for any services provided at Creekside Counseling at the time of service. Issues due to child custody agreements must be sorted out by the parents and are not the responsibility of Creekside Counseling. In signing for services for a minor, I certify that I am the legal guardian and I have the legal right to approve of the evaluation, treatment and release of information.

____ I understand that appointments not canceled 24 business hours in advance will result in a charge. This fee is $25 for counseling sessions and $40 for sessions with a nurse practitioner and cannot be billed to insurance. Creekside Counseling will try to provide courtesy reminder calls, but it is not guaranteed. Patients may not dispute a no show fee based upon not receiving a reminder call.

____ Additional fees may be billed for services such as phone calls of more than 10 minutes in length, written reports or letters and other professional services.

Finance Charges

____ If there is an additional balance on your account 30 days after insurance payment has been received, a service charge of $5.00 per month will be charged. Any account that has had no payment activity for 90 days will qualify for submittal to a collection agency or court action. If your account is sent to collection, a 12% interest rate will be applied dating back to the first date of service. I understand that failure to pay my bill will result in information being sent to a third party for collection purposes.

Authorization

____ I authorize the release of my personal health information necessary to process fee for service claims to my insurer. I authorize payment of insurance benefits to Creekside Counseling. I accept the financial responsibility to settle whatever balance is generated when payment is not received after 60 days from the billing date. I understand that failure to pay my bill will result in information being sent to a third party for collection purposes.

Consent for Treatment

____ Most people benefit by participating in mental health services; however, there is no guarantee that you or your family members will be helped. I give consent for treatment.

____ ***Consent for Treatment of Minor Patients***

As the guardian/responsible party, I hereby give my consent for the treatment of the child, _____, with a DOB: _____/_____/_____.
